SeaWorld Reputation Management – Evaluated corporate communication strategy post-*Blackfish* documentary and developed a stakeholder engagement plan to rebuild trust and brand equity

University of California, Davis – Davis, CA

March 2021

Bachelor of Arts in Economics (STEM, Finance Track) & Design (UI/UX Focus)

EXPERIENCE

FableToons, LLC | Product Consultant Intern

Los Angeles, CA | May 2025 – Aug 2025

A next-gen storytelling platform, co-founded by advisors from Nickelodeon, Cartoon Network, Amazon Studios, and Paramount+

- Developed short- and long-term market entry plans and conducted competitor benchmarking to create a GTM strategy and execution playbook implemented by the client, improving acquisition efficiency and audience retention
- Executed user journey mapping, surveys, and qualitative research to define product-market fit and prioritize features

USC Advanced Games Project | Marketing Co-Lead

Los Angeles, CA | Sep 2024 – May 2025

Richard by Act V Games is a narrative-driven action-adventure game exploring themes of identity and empathy

- Collaborated with the producer and a 30+ member cross-functional team from concept to showcase at USC Games Expo 2025
- Led Act V Games' brand identity design, including studio logo creation and visual direction adopted across all marketing channels
- Launched Act V's social media presence (Instagram, X, Bluesky, LinkedIn) and managed the game's Steam page, overseeing content strategy and visual assets to build community awareness and achieve strong early engagement and brand visibility across platforms

Time Advertising, Inc. | Account Manager

Millbrae, CA | Apr 2022 – Apr 2024

Agency serving clients across gaming, hospitality, government, and consumer banking, focused on cross-cultural marketing, PR, and strategy

- Managed monthly client marketing programs and multi-channel product launches with ~\$2M annual budgets, coordinating media buys, creative production, and cross-functional teams to execute 15+ campaigns annually and maximize brand visibility
- Created annual marketing roadmaps and performance frameworks, leveraging strategic partnerships to optimize sponsorship and PR Packages that decreased costs by 30%+ and strengthened campaign impact
- Developed campaign performance matrices in Excel to track key metrics including impressions, CPM, and conversion rate across 10–20 online and offline channels such as digital ad placements, regional TV networks, and OOH. Streamlined multi-channel reporting by standardizing data inputs and automating summaries for client presentations, identifying high-CPM channels and reallocating budgets to top-performing platforms to improve overall efficiency and campaign ROI across multiple accounts
- Managed a \$4.6M headline sponsorship for a client at APEC San Francisco 2023, leading PR execution by publishing multilingual press releases, securing media coverage, and representing the sponsor at the Mayor's Office press conference and City media reception

ZGC Capital Corporation | Program Marketing Specialist

Santa Clara, CA | Jun 2021 – Mar 2022

Subsidiary of ZGC Group, a global VC firm investing in life sciences and biotech startups through accelerator programs and partnerships

- Designed and launched multi-channel campaigns (Google & Meta ads, SEO optimization, newsletters, landing pages, social media posts, WeChat articles), increasing impressions by 35%, inquiries by 25%, and conversion rates exceeding 50%
- Managed Innovation & Tech Summit featuring 20+ high-profile speakers (including Turing Award winners and Stanford professors), attracted over 500 attendees with 30% YoY growth. Led branding, event execution, and sponsor outreach. Secured new partnerships, generated 100+ newsletter signups, and achieved 95% attendee satisfaction in post-event surveys
- Analyzed Google & Meta ad performance and P&L data in Excel to assess conversion, ROI, engagement, and resource allocation. Generated insights on targeting, content, and spend optimization that guided business and product strategy
- Managed logistics and relationship-building for new client onboarding, delivering smooth experiences that earned excellent feedback

Percolata Corporation | Visual Design Intern

Palo Alto, CA | Nov 2020 – Feb 2021

AI-driven SaaS startup (Series A) specializing in predictive analytics and automation solutions for retail and operations optimization

- Redesigned brand identity and website UX, led visual development across logo and site design to enhance usability and engagement
- Conducted user research and iterative feedback sessions to refine UI flow and align features with user needs, producing digital and social assets in Figma and Adobe Suite for cohesive cross-platform design
